Re: Ordinance No. 11.

Dear Herb:

Enclosed herewith are the original and six extra copies of Ordinance No. 11, which modifies Section 270 of Ordinance No. 4. Please note that we have established three categories of monthly minimum charges. The first category is one which would apply in the original District, and in Improvement District No. 1 if the properties in the improvement district are also in Zone 3 of the Flood Control District. The rates for this category remain the same as in the original ordinance.

The second category is a new one which would apply minimum charges to those properties in Improvement District No. 1 which are outside the boundaries of Zone 3 of the Flood Control District. The third category is the category for outside the District, which we have not changed.

We established the new minimum charges halfway between the original inside and outside charges. We recognize that this is not precisely in line with the rate adjustment but, since the minimum charges entitle the customer to the quantity of water which the minimum charge would purchase, we feel that the establishment of the monthly minimums halfway between the original inside and outside charges is reasonable and will be the simplest set of rates to apply in the future.

Sunnyslope County Water District,  
Attn: Mr. Herbert W. Bengard.

The monthly quantity charges have been treated in a manner similar to the treatment of the minimum charges insofar as the establishment of rate categories is concerned. The \$2.88 figure for the first 800 cu.ft. is the precise figure for the added rate. We did not attempt to round the figure off because we felt it was unimportant to do so.

Please note that we have made the new charges effective as of the next billing.

Please see that the original and extra copies of the ordinance are signed by the President and by you, that the seal of the District is affixed, and that the certificate is signed by you at the places indicated. After this has been done please return one fully signed copy of the ordinance to this office for our file.

Very truly yours,

for WILSON, JONES, MORTON & LYNCH
