

RESOLUTION NO. 528

A RESOLUTION OF THE BOARD OF DIRECTORS OF
SUNNYSLOPE COUNTY WATER DISTRICT

IN SUPPORT OF
THE ASSOCIATION OF CALIFORNIA WATER AGENCIES'
STATEWIDE WATER ACTION PLAN

WHEREAS, a broad cross-section of water interests convened by the Association of California Water Agencies (ACWA) has developed a Statewide Water Action Plan to address overall water supply reliability and ecosystem health in California; and

WHEREAS, the ACWA Board of Directors unanimously approved the Statewide Water Action Plan at its September 27, 2013, meeting and directed that it be submitted to California Governor Jerry Brown as the water community's recommendations for developing the Administration's water plan; and

WHEREAS, ACWA's Statewide Water Action Plan outlines 15 actions to improve water supply reliability, protect water rights, protect the integrity of the state's water system and promote better stewardship; and

WHEREAS, the plan also includes guiding principles for implementation to help ensure actions benefit the entire state, respect water rights and contract terms, and reflect a new regulatory approach that can better meet the needs of California water users and ecosystems; and

WHEREAS, the Statewide Water Action Plan provides context for a Delta solution and other critical actions as components of a broader set of strategies to secure California's water future; and

WHEREAS, when implemented together, this suite of statewide actions will serve as a sustainable path forward for California; and

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the Sunnyslope County Water District hereby supports the Association of California Water Agencies' Statewide Water Action Plan and encourages its adoption as the basis for statewide action by California Governor Brown.

THE FOREGOING RESOLUTION on a motion by Director Meraz and second by Director Johnson is duly adopted this 11th day of December 2013, by the following votes.
