Director Johnson asked to have agenda item E-4d – Investment Summary pulled and moved to Agenda Item H.4 under Board and Staff Reports.

Upon a motion made by Director Johnson to approve the Consent Agenda as amended, seconded by Director Alcorn, for which President Buzzetta (JB) then took a roll call vote as follows: Directors Alcorn, (MA), yes; Johnson (JJ), yes; Parker (JP), yes; and President Buzzetta (JB)yes. Director Ross (AR) absent; the motion carried 4-1.

F. NEW BUSINESS:

1. CONSIDER APPROVAL AND AUTHORIZE THE PRESIDENT TO SIGN AN AGREEMENT FOR WATER FACILITIES AND SERVICE FOR THE ROBERTS RANCH PHASE 2 DEVELOPMENT: Associate Engineer Rob Hillebrecht explained that Phase 2 of the Roberts Ranch development is ready for construction. It involves the creation of 104 new single-family residences. This is the final phase for this project. Sunnyslope County Water District will provide potable domestic water and fire protection water service to the development. District staff have reviewed the Improvement Plans to ensure that they meet all District standards and requirements.

This phase will connect the existing Landscape Irrigation System piping from Phase 1 with a pipeline in Fairview Road. The intent is for the water supply of the Landscape Irrigation System to eventually be solely sourced from the District's Well #5. That will retain more high-quality treated surface water for residential customers rather than using it for irrigation of public areas and landscaping.

The District currently has the capacity and ability to serve this development with potable water. Yet the Agreement acknowledges the District's right to terminate the Agreement if severe drought or other unforeseen circumstances significantly limit its ability to serve additional development.

Director Alcorn inquired about whether the standard contract has additional language added regarding any kind of damage caused by the contractor which may affect property owners in the vicinity. Associate Engineer Hillebrecht responded that at this time the contract has not been modified to specific incidents as mentioned, but that the contract has adequate coverage which fully protects the District from any liability for damage that the contractor may cause, with the full responsibility on the contractor.

President Buzzetta pointed out that the map which was attached shows phase 2 outlined in blue and includes phase 3 within that boundary. Mr. Hillebrecht stated that due to the current housing economics, the developer has decided to include phase 3 along with phase 2. General Manager/Secretary Lander added that the map has already been approved by the County so adjusting the map would not be feasible.

Upon a motion made by Director Johnson, to approve and authorize the President to sign an Agreement for Water Facilities and Service for the Roberts Ranch Phase 2 Development, seconded by Director Alcorn, for which President Buzzetta (JB) then took a roll call vote as follows: Directors Alcorn, (MA), yes; Johnson (JJ), yes; Parker (JP), yes; and President Buzzetta (JB)yes. Director Ross (AR) absent; the motion carried 4-1.

2. AUTHORIZE THE GENERAL MANAGER TO REPLACE THE APPROVED RECEPTIONIST STAFF POSITION WITH A NEW POSITION TITLED BILLING/PUBLIC RELATIONS SPECIALIST AND AMEND THE SALARY SCALE (Not a project under CEQA per Article 20, Section 15378): General Manager/Secretary Drew Lander stated that to better accommodate the growing need to interact with the public, to increase public engagement with the new District website and within social media platforms the General Manager proposes that the current authorized Billing Clerk/Receptionist position job description should be modified to include expanded duties relating to public outreach. These duties are in addition to the current position requirements of performing billing functions and receptionist responsibilities.

The Personnel Committee met and reviewed the modifications to this position. The job description has been shared with the Union representatives per the requirements of the current contract.

Director Parker asked where the position would be advertised, and General Manager/Secretary Lander stated that ads would be placed with the College, local newspaper, and the internet. Finance and Human Resource Manager Foster added that Indeed is a good company to advertise this type of position.

Upon a motion made by Director Johnson to authorize the General Manager to replace the approved Receptionist staff position with a new position titled Billing/Public Relations Specialist and amend the salary scale, seconded by Director Parker, for which President Buzzetta (JB) then took a roll call vote as follows: Directors Alcorn, (MA), yes; Johnson (JJ), yes; Parker (JP), yes; and President Buzzetta (JB)yes. Director Ross (AR) absent; the motion carried 4-1.

3. AUTHORIZE THE ADDITION OF A WATER/WASTEWATER MAINTENANCE STAFF POSITION TO BE FUNDED BY THE IWTP OPERATIONS AND MAINTENANCE CONTRACT EXECUTED BETWEEN THE DISTRICT AND SAN BENITO FOODS (Not a project under CEQA per Article 20, Section 15378): General Manager/Secretary Drew Lander explained that the contract approved between San Benito Foods (SBF) and SSCWD contains funding for a full-time position to operate the Industrial Wastewater Pond Facilities. The contract and agreement have been approved and this position needs to be filled very soon so that staff can begin the operation of the pond maintenance without falling behind on daily operations of the District.

Upon a motion made by Director Parker to authorize the addition of a Water/Wastewater Maintenance staff position to be funded by the IWTP Operations and Maintenance contract executed between the District and San Benito Foods, seconded by Director Johnson, for which President Buzzetta (JB) then took a roll call vote as follows: Directors Alcorn, (MA), yes; Johnson (JJ), yes; Parker (JP), yes; and President Buzzetta (JB)yes. Director Ross (AR) absent; the motion carried 4-1.

4. AUTHORIZE THE GENERAL MANAGER TO SIGN A NON-FINANCIAL WORKSITE AGREEMENT FOR THE SAN BENITO COUNTY WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) WORK EXPERIENCE PROGRAM (WEX) (Not a project under CEQA per Article 20, Section 15378): General Manager/Secretary Drew Lander reported that in 2017 SSCWD participated in the WEX program through San Benito County. This participation was productive, and it allowed the District to receive entry level work product from aspiring water and wastewater trainees without adding additional staffing positions.

Upon a motion made by Director Alcorn to authorize the General Manager to sign a non-financial worksite agreement for the San Benito County Workforce Innovation and Opportunity ACT (WIOA) Work Experience Program (WEX), seconded by Director Johnson, for which President Buzzetta (JB) then took a roll call vote as follows: Directors Alcorn, (MA), yes; Johnson (JJ), yes; Parker (JP), yes; and President Buzzetta (JB)yes. Director Ross (AR) absent; the motion carried 4-1.
