

RESOLUTION NO. 146

A RESOLUTION MAKING A NEGATIVE DETERMINATION ON ENVIRONMENTAL IMPACT, DETERMINING CATEGORICAL EXEMPTION AND PROVIDING FOR NOTICE THEREOF

GRAVEL ENVELOPE WELL NO. 5

SUNNYSLOPE COUNTY WATER DISTRICT

RESOLVED, by the Board of Directors of the Sunnyslope County Water District, San Benito County, California, that

WHEREAS, a Preliminary Environmental Assessment has been prepared by the District Engineer and filed with the District Secretary, which recommends that the project is a replacement of an existing well utilized by District and that it be determined to be categorically exempt pursuant to Section 3.5B, Class II of the District's Local Environmental Guidelines and Section 15102 of the State Guidelines as a replacement or reconstruction of existing District facilities;

WHEREAS, the project concerning which this determination is made is described as follows:

Drilling and logging of a test well, drilling, installing, casing, gravel envelope, outer casing and grout seal, test and develop well, and construct concrete well collar, pump pedestal and pave area adjacent to well on property near existing Well No. 4, approximately 1,200 feet north of Donald Drive at Ray's Circle.

WHEREAS, this Board has heard and considered the evidence and facts presented relating to the nature of the proposed replacement project;

NOW, THEREFORE, IT IS HEREBY FOUND, DECLARED and ORDERED, as follows:

1. That, for the following reasons, it is hereby found that said Project is categorically exempt and will not have a significant effect upon the environment:

- (a) Water well and appurtenances to be replaced were installed many years ago and are leased by District. Replacement of the well and appurtenances with the proposed well is the best way to assure a satisfactory public water supply.
- (b) New well and appurtenances will have substantially the same purpose and capacity as the well and appurtenances being replaced.

2. That the Secretary be, and he is hereby, authorized and instructed to file certified copies of this Resolution and a Notice of Exemption with a copy of the Preliminary Environmental Assessment attached at the District office to be available for public inspection and copying and in the office of the County Clerk of San Benito County.
