

RESOLUTION NO. 309

A RESOLUTION MAKING A NEGATIVE DETERMINATION ON ENVIRONMENTAL IMPACT, DETERMINING CATEGORICAL EXEMPTION AND PROVIDING FOR NOTICE THEREOF

SOUTHSIDE WELL PUMP MODIFICATIONS

SUNNYSLOPE COUNTY WATER DISTRICT

RESOLVED, by the Board of Directors of the Sunnyslope County Water District, San Benito County, California, that

WHEREAS, a Preliminary Environmental Assessment has been prepared by the District Engineer and filed with the District Secretary, which recommends that the project is the performance of the Southside Well Pump Modifications, be determined to be categorically exempt pursuant to Section 4.6.B, Class II, of the District's Local Environmental Guidelines and Section 15102 of the State Guidelines as repair, maintenance or minor alteration of miscellaneous District facilities, equipment or to the property involved as negligible or no expansion of use beyond that previously existing.

WHEREAS, the project concerning which this determination is made is described as follows:

The removal of the existing pumps and piping and the installation of a new well pump and motor with discharge piping.

WHEREAS, this Board has heard and considered the evidence and facts presented relating to the nature of the proposed project;

NOW, THEREFORE, IT IS HEREBY FOUND, DECLARED and ORDERED, as follows:

1. That for the following reasons, it is hereby found that said project is categorically exempt and will not have a significant effect upon the environment:

Consists of replacement of District facilities, structures or other property where the new facility or structure will be located on the same site as the replaced or reconstructed facility or structure and will have substantially the same purpose and capacity as the replaced or reconstructed facility or structure.

2. That the Secretary be, and he is hereby, authorized and instructed to file certified copies of this Resolution and a Notice of Exemption with a copy of the Preliminary Environmental Assessment attached at the District office to be available for public inspection and copying and in the office of the County Clerk of San Benito County.

* * * *

I hereby certify that the foregoing is a full, true and correct copy of a resolution duly adopted and passed by the Board of Directors of the Sunnyslope County Water District, San Benito County, California, on the 23 day of February, 1983, by the following vote:

AYES, and in favor thereof, Directors: Arzie, Blaettler, Churchill, Renz, Williams

Staff Determination:

The District's staff, having undertaken and completed a preliminary review of this project in accordance with the District's guidelines entitled "Local Guidelines Implementing the California Environmental Quality Act" has concluded that this project does not require further environmental assessment because:

- () 1. The proposed action does not constitute a project within the meaning of Section 4.1 and Section 2.23.
- () 2. The project constitutes a feasibility or planning study under Section 4.3.
- () 3. The project is an Emergency Project under Section 4.4.
- () 4. The project is a Ministerial Project under Section 4.5.
- (x) 5. The project is Categorically Exempt under Section 4.6.B.
Applicable Exemption Class, Local Guidelines - Class II
Applicable Exemption Class, State Guidelines - 15102
- () 6. The project is exempt pursuant to Section 21081 (8) of the Public Resources Code.
- () 7. The project involves another public agency which constitutes the lead agency.
