

ORDINANCE NO. 13

AN ORDINANCE AMENDING ORDINANCE NO. 4
ENTITLED "AN ORDINANCE ESTABLISHING RATES,
RULES AND REGULATIONS FOR WATER SERVICE"
BY THE SUNNYSLOPE COUNTY WATER DISTRICT"

BE IT ORDAINED, by the Board of Directors of the Sunnyslope County Water District, San Benito County, California, as follows:

Section 1. Article 19 of Ordinance No. 4, An Ordinance Establishing Rates, Rules and Regulations for Water Service by the Sunnyslope County Water District, adopted September 8, 1955, is hereby amended to read as follows:

" ARTICLE 19. CONNECTION CHARGES.

300. Connection Charges. In order to equalize investment in facilities made by present water users in the District and in Improvement District No. 1 in the District, special water connection charges shall be collected in accordance with the provisions of this article. Such connection charges must be paid to the District prior to the connection of the facilities of the customer to the water system of the District in accordance with the terms and conditions stated in this article, unless the Board of Directors of the District shall, by special agreement with the customer, provide other charges than those hereinafter stated or other terms and conditions of payment than those hereinafter stated.

301. Family Unit Defined. A family unit is defined to mean and refer to a place of residence for a single family. Multiple family dwellings shall have the same number of family units that the facilities therein provide for single family residents, including trailer courts, hotels, and motels. ^{with separate meter} The number of family units for commercial, industrial, church, school, public, and other non-residential units, shall be determined by the District Engineer ^{with separate meter} on the basis of dividing the estimated water consumption for such

units by the average water consumption for a family unit in the District.

302. Connection Charge - Rights of Service in Existing Facilities. A connection charge for the right of service in existing water supply, storage, transmission, and distribution facilities of the District shall be payable to District for all water connections within boundary of District as now existing except existing buildings or where house services have been installed. The charge shall be One Hundred Dollars (\$100.00) per family unit.

303. Connection Charges - Annexed Areas. A special and additional connection charge shall be paid in all areas hereafter annexed to the District in lieu of the charge established in 302 hereof. The charge shall be One Hundred Fifty Dollars (\$150.00) per family unit.

304. Prepayment of Connection Charges - Subdivisions. Prepayment of connection charges required under this article, together with any other charges which may be established by the District, shall be made to the District before the improvement plans for any subdivision are approved by the District and before any permit to install water mains to provide service to the subdivision is issued, and before any agreement relating to the installation of the subdivision water system is entered into pursuant to Article 7 hereof.

305. Connection Charges - Alteration of Use. The connection charges herein established are applicable to the use proposed to be made of the water service at the time the service is to be rendered. In the event of alteration of the service requirements requiring greater use of water facilities, additional charges shall be paid for added family units as herein defined at the connection charge rate in effect at the time such alterations or additions are made.

306. Special Connection Charges. Where, in the opinion of the District, special conditions exist relating to service to any customer or customers, the District may revise, either upward or downward, any of the connection charges provided herein by motion, resolution, or ordinance, or it may provide for the charges to be paid by special agreement between the District and the applicant for water service. "*to any org. det. by Dir. PW and in Sec. 8 may be applied. to Council*"

Section 2. Article 20 of Ordinance No. 4, An Ordinance Establishing Rates, Rules and Regulations for Water Service by the Sunnyslope County Water District, adopted September 8, 1955, is hereby amended to read as follows:

" ARTICLE 20. TIME OF TAKING EFFECT.

400. This ordinance shall take effect immediately upon its passage. "

Section 3. This ordinance shall take effect immediately upon its passage.

Section 4. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.
